

THIS IS NOT SUSTAINABLE!

**You start us early, work us late
Divest of your chassis, now customers wait
Fill your press with union-hate
But the ILWU won't take your bait!**

**Sit at your desks, behind closed doors,
Take from the rich, and rob from the poor,
Blame us for presents not being in stores
Jim, this whole gridlock sits with you at the core!**

GET A DEAL, McKENNA!
